Notes

The questions seek to obtain the material facts relevant to assessment of the insurance risk. You must answer all questions truthfully and if you are in any doubt about whether to disclose a fact you should still provide details on the questionnaire. Failure to disclose all material facts could mean the insurer will amend/withdraw any terms offered.

If there is any change to your circumstances between completion of the questionnaire and the start date of the policy, you must advise us of the change.

If any questions are completed on your behalf you must read the answers given and check that they record correctly what you have said.

Where the selected insurer from the PD panel does not require completion of their own full Application Form, this questionnaire will become the basis of the contract with that insurer. Otherwise, where the selected insurer does require their own full Application Form to be completed (plus any supplementary questionnaires, if applicable), then this questionnaire will form part of the supporting evidence to the overall application. A copy of the standard terms and conditions of the insurers Plan can be provided on request.

This questionnaire serves to appoint PD as your Financial Adviser for the product proposed and authorises us to receive a proportionate amount of commission agreed with your IFA.

Protect Direct will need to send your completed questionnaire electronically to the Underwriting Unit and to the Panel, using secure links, you have agreed that this method of communication is acceptable by signing the Declaration contained in this questionnaire.

Data Protection Notice

The information provided in the questionnaire will be passed to the Underwriters appointed by PD to carry out an initial assessment. They will decide on the medical or other evidence requirements which may be needed prior to quoting the terms for your application. A copy of the questionnaire and any evidence obtained will then be passed to the Panel to indicate what terms may be available. All Personal Information provided may be used, by the selected provider, to prepare and administer the policy.

A copy of the questionnaire, and any supporting evidence, may be shared with the Reinsurer of the selected insurer, should the risk be reinsured.

We may write to your GP should a condition be noted on a medical examination, which your doctor may not be aware of.

All the information supplied will be kept confidential and not disclosed to any other party without your consent, unless it is lawful to do so.

Any medical information, which is provided in connection with your application, will be used only for underwriting purposes. This information is defined as "sensitive" by the Data Protection Act 1998 and your consent is required before any insurer or agent of the Risk Placement Services can hold, use or retain it. We regret without your consent we will be unable to process your application.

Your personal data may be passed to other companies in the selected insurers group of companies you may then be contacted with details of other products.

If you do not wish your personal details to be used in this way then please tick this box

If you would like to request a copy of the information held about you, please write to the Data Protection co-ordinator of the selected insurer. A fee may be charged for providing this information

Access to Medical Reports Act

To consider your application we may have to obtain a medical report from a doctor who has cared for you. The Access to Medical Reports Act 1988 or Access to Personal Files and Medical Reports (Northern Ireland) Order 1991 gives you certain legal rights over these reports. Briefly your rights are as follows:

1. Before we can apply for a medical report from a doctor who has cared for you, we need your agreement. You can refuse but in this case we will not be able to make any offer of cover to you.
2. You can ask to see a report before your doctor sends it to our Chief Medical Officer or you can ask your doctor to see a copy of the report for up to six months after it has been sent to us.
3. If you think part of the report is incorrect or misleading when you see it, you can ask to have it changed. If your doctor will not agree to this, you may attach a statement of your own.

Your doctor does not have to let you see the report if he or she believes it is not in the interests of your health, or if the interests of other people have to be considered.

Once you have seen the report your doctor cannot return it to us unless you agree.

If we need a report and you have said you want to see it before it is returned to us, we will write to let you know. You will then have 21 days to contact the doctor to arrange to see the report. After this period the doctor will be free to return the report.

Declaration and Consent

I declare that to the best of my knowledge and belief the answers I have given (whether in my handwriting or not) are true and complete. This declaration also applies to any supplementary questionnaires that are submitted by me or on my behalf. I confirm I have read and understand the Notes in this form.

I am aware of my legal rights under the Access to Medical Reports Act 1988/Access to Personal Files and Medical Reports (Northern Ireland) Order (as amended). I agree that Protect Direct may ask for medical information from any doctor who at any time has attended me about anything that affects my physical or mental health or ask for information, including medical reports, from any insurance office to which a proposal has been made on my life and I authorise the giving of such information. I authorise RPS to give copies of all information obtained to the panel of insurers. I also agree that when the selected insurer will treat this questionnaire as the basis of the contract, then this consent allows the insurer to obtain a medical report at any time during the lifetime of the plan and after my death to support any claim on the plan.

I agree to complete a full Application Form for the selected Provider, where required. I also understand that the Provider retains the right to seek any further medical evidence or alter the terms offered should that Application Form contain any information not previously disclosed or if my/our health or circumstances have changed since completion of this form and the date of the policy going on risk.

I have read and understood the Data Protection Notice. I agree that my personal information (including sensitive data) may be used for the purposes described.

I agree that a copy of this questionnaire can be treated as the original for all purposes.

I understand that if I have failed to provide correct answers to the questions stated then the terms offered by the selected Insurer may be amended or withdrawn.
